DO NOT CIRCULATE

1. The 157 "Mountain" Artillery Regiment is stationed in Cacak.¹ All three batteries of the Regiment are located in Cacak proper, and each battery is equipped with horse-drawn Skoda artillery pieces. The 157 Artillery Regiment is attached to the 37 Serbian Assault Division, which has headquarters in Titovo-Uzice.
2. A new military airstrip is located in Zemunik, east of Zadar. It has eight large barracks. Approximately 20 planes are currently stationed at the Zemunik airfield.

25X1A 1. [REDACTED] Comment: It is very unlikely that a mountain artillery regiment would be attached to an infantry division. The word "mountain" could very easily have been employed to describe the type of mountain armament used in that particular area because of the terrain.
